# Port、connectionのオーダー方法

ATBeXユーザー様向け Console Connect port & connection オーダー手順書

# 5つのステップ

1. Console Connectのアカウント作成
2. Console Connect でportのオーダー、アクティベート
3. クラウドサービスのリソース設定
4. Console Connectで connectionのオーダー
5. connectionとクラウドサービスの紐づけ

Page 3 – 13

Page 14 – 21

Page 22 – 23

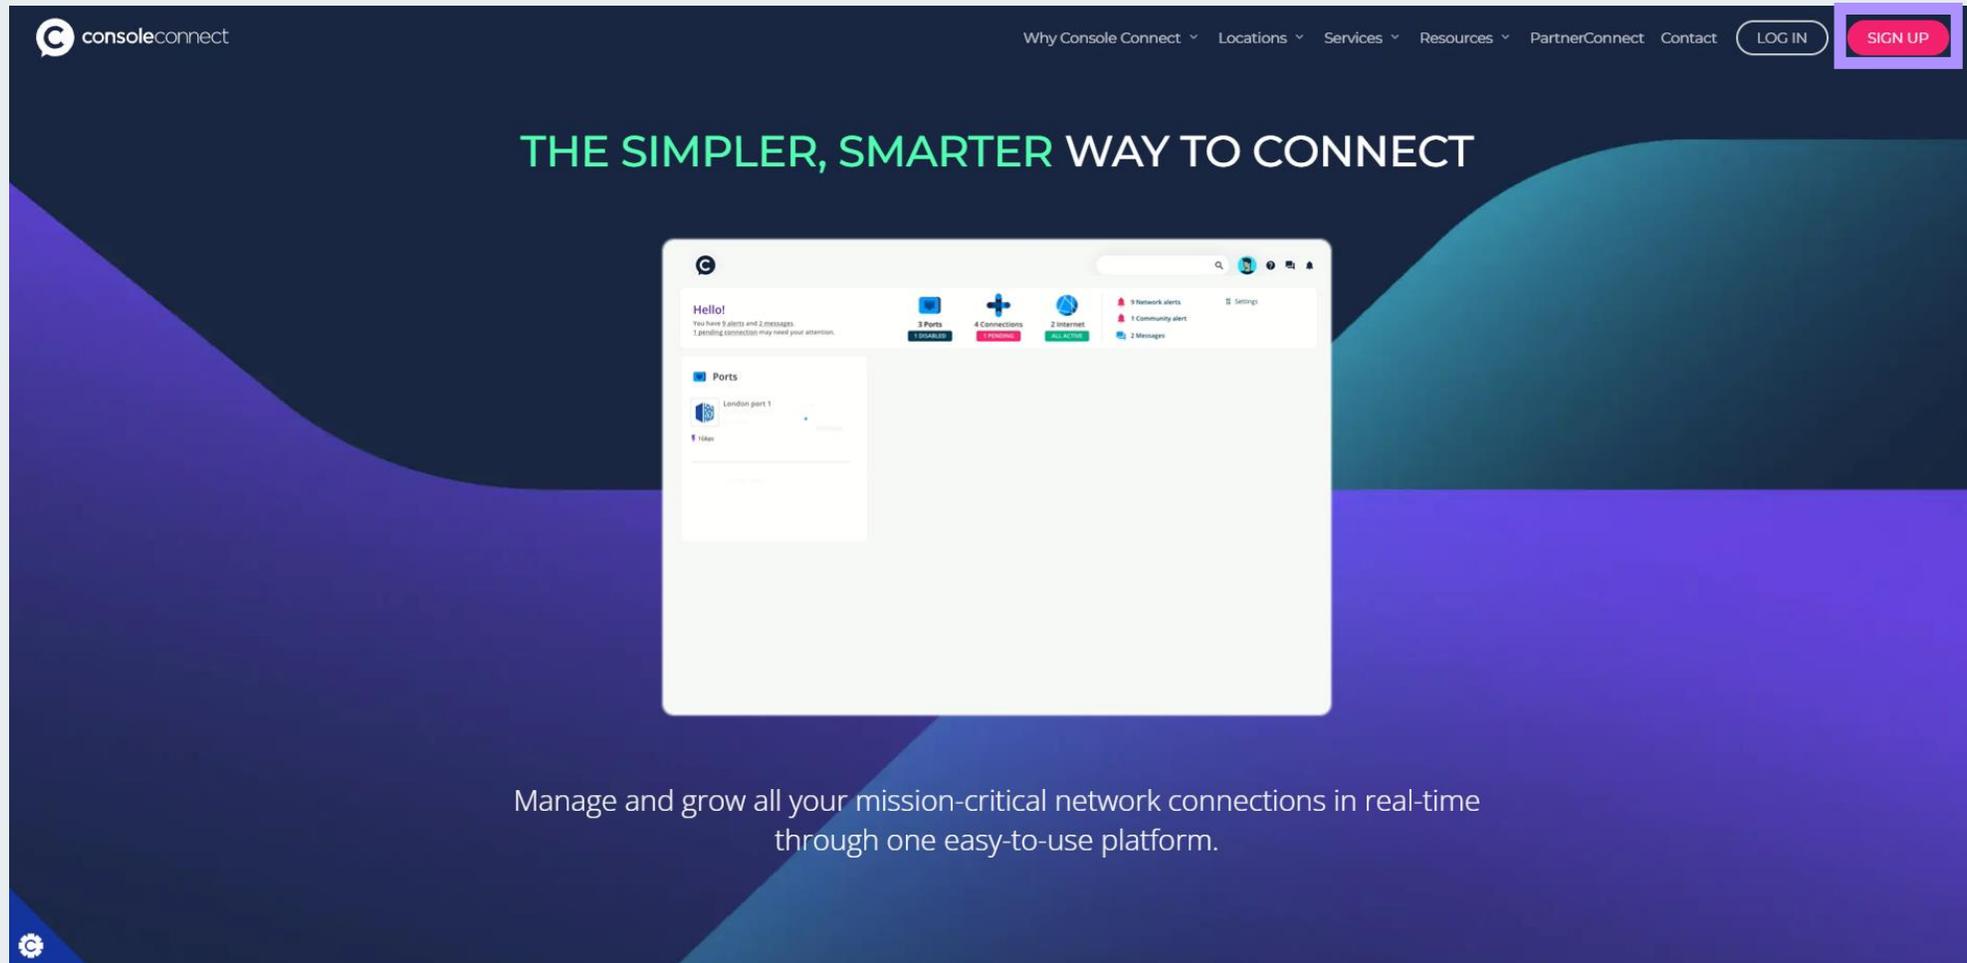

Page 24 – 32

Page 33 – 34

## Step 1

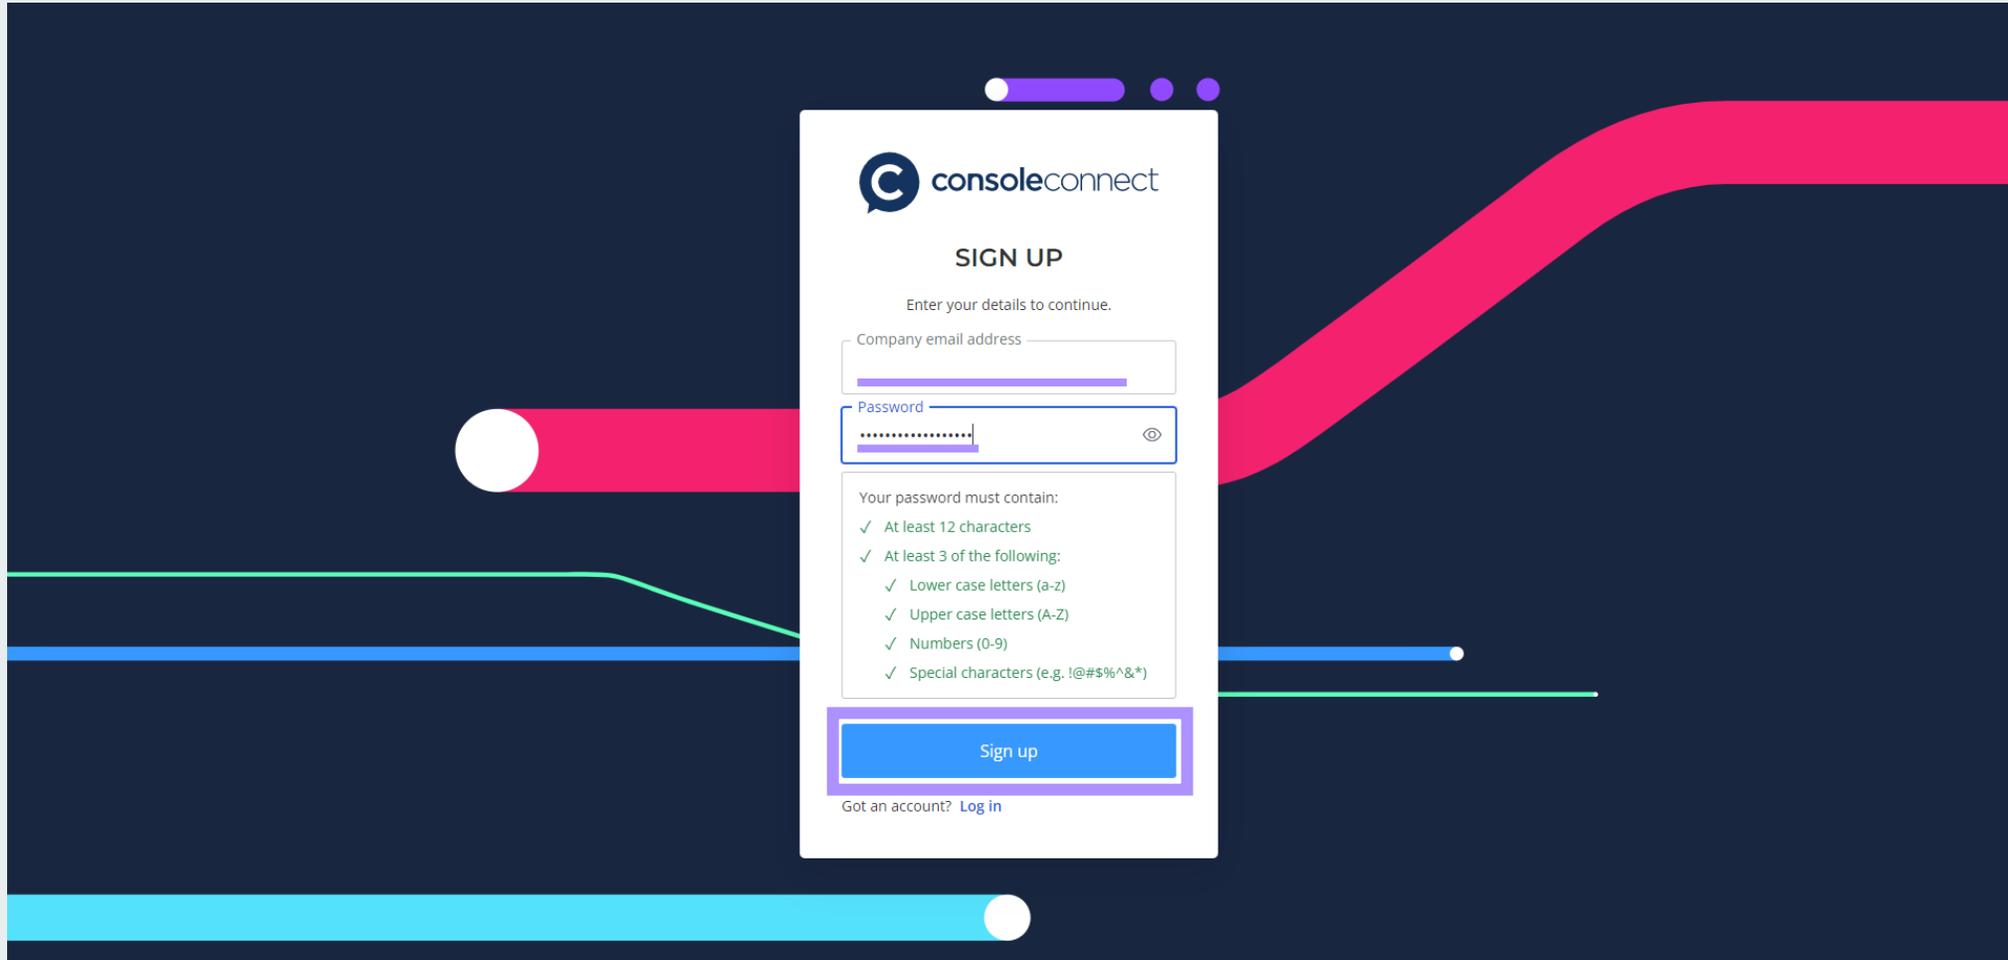

# Console Connectのアカウント作成

## 1. [Console Connect site](#)で“SIGN UP”をクリック

The screenshot shows the Console Connect website. The top navigation bar includes the logo 'consoleconnect' on the left and a menu with items: 'Why Console Connect', 'Locations', 'Services', 'Resources', 'PartnerConnect', and 'Contact'. On the right side of the navigation bar, there are two buttons: 'LOG IN' and 'SIGN UP'. The 'SIGN UP' button is highlighted with a purple rectangular box. Below the navigation bar, the main heading reads 'THE SIMPLER, SMARTER WAY TO CONNECT' in green and white text. In the center, there is a white rectangular inset showing a preview of the Console Connect dashboard. The dashboard features a 'Hello!' greeting, a notification bar with '3 Ports', '4 Connections', '2 Internet', '9 Network alerts', and '1 Community alert', and a 'Ports' section with a 'London port 1' entry. At the bottom of the page, there is a gear icon in the bottom-left corner and the text: 'Manage and grow all your mission-critical network connections in real-time through one easy-to-use platform.'

## 2. メールアドレスとパスワードを入力し “Sign up” をクリック

The screenshot shows a mobile-style sign-up form for 'consoleconnect'. The form is centered on a dark blue background with colorful abstract shapes. It includes a logo, a title, a subtitle, two input fields, a password requirements list, and a 'Sign up' button. A red rectangular box highlights the 'Sign up' button.

 consoleconnect

**WELCOME!**

**Complete your Sign up**

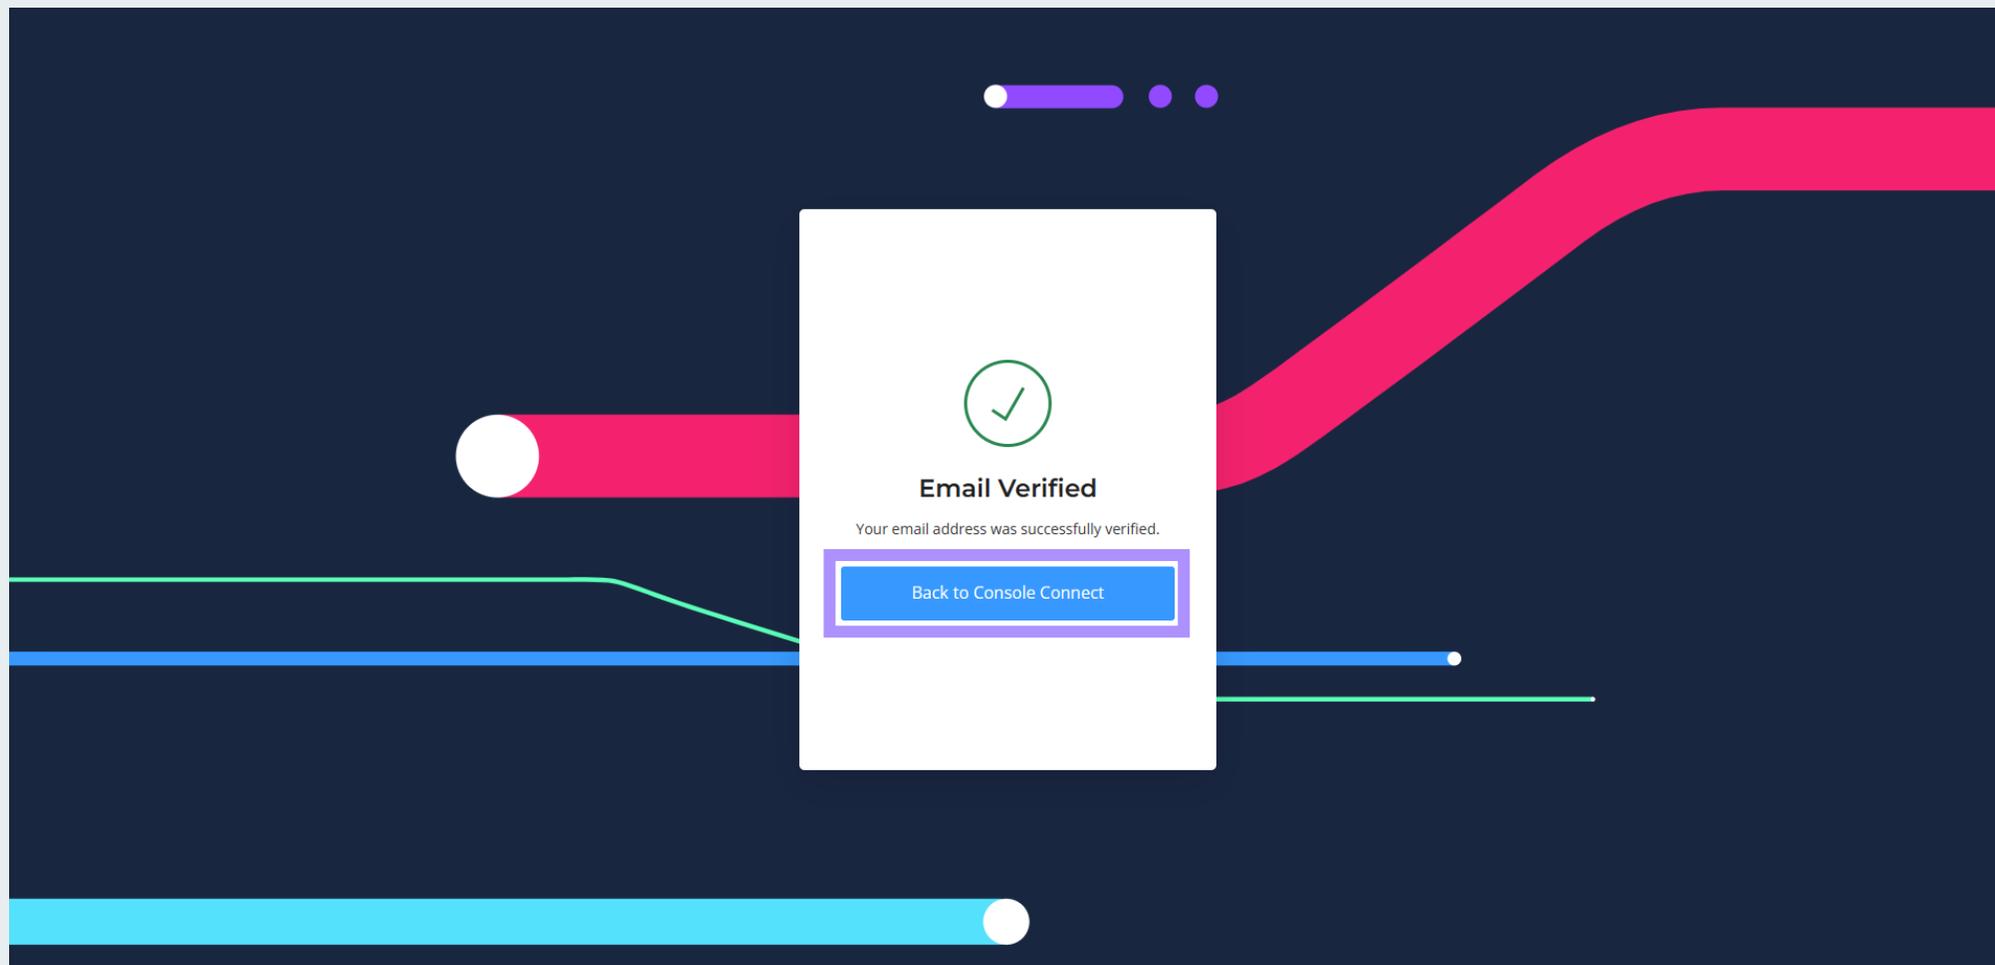

Console Connect is one of the world's largest Software Defined Interconnection® (SDI) platforms. We are available in over 400 data centers in more than 50 countries.

Only Console Connect lets you self-provision connectivity across a private, high-performance network in a matter of seconds!

Once connected with your own Access Ports, you will be able to provision on-demand services across the network between your ports and a growing ecosystem of cloud, SaaS, data centre and IX partners. Welcome to Console Connect!

support@consoleconnect.com

## 5. “Back to Console Connect” をクリック

## 6. Console Connectプラットフォームにログインし“Create or join a company”をクリック

The screenshot shows the Console Connect user interface for a user logged in as 'ABC Company'. The top navigation bar includes 'Network', 'MeetingPlace', and 'Pricing' on the left, and a search bar, a profile icon with 'AC', an 'Invite' button, and help/notifications icons on the right. The main content area features a 'Welcome ABC Company' header with the subtext 'Get started with Console Connect'. Below this is a video player showing a man in a blue shirt with a play button overlay. To the right of the video is a 'GET STARTED' section titled 'Start building your network' with a dropdown arrow. The first item in this list is 'Create or join a company', which is highlighted with a purple border and a blue play button icon. Other items include 'Order a port' (with sub-items 'Add L2 Connection' and 'Add Internet On-Demand'), 'Create CloudRouter' (with sub-item 'Add sites'), and 'Order IoT Global SIMs'. Below the video is a 'PRODUCTS AND SERVICES' section with the text 'Take control, cut complexity and make connections effortlessly with our suite of products and services'. At the bottom, there are partial views of 'Port' and 'L2 Connections' cards. On the far right, there is a vertical pink 'Feedback' button. At the bottom right, there is a promotional banner for 'Meet Console Connect at MWC 2023' with details: '27 Feb - 2 Mar | Barcelona, Spain' and 'Hall2, Stand #2E21'.

## 7. 自社名を入力し“Create company”をクリック

The screenshot displays the 'Create or join a company' page. On the left, a sidebar contains navigation links: Personal details, Change password, Two-factor authentication, Change email, Alert settings, and **Create or join a company**. The main content area features a search bar with 'ABC Company' entered, a dropdown menu showing 'ABC Company', and a blue 'Create company' button highlighted with a purple border. Below this, a message states: 'You must be a current employee and have the authority to create a presence on Console Connect on behalf of the company.' A list of existing companies is shown, each with a logo, name, description, and a 'Request to join' button:

- A3 Global Company**: System Software Custom Solution for various Industries and enterprises to speed up adaptation or transition to the new... [Request to join](#)
- AL YAH SATELLITE COMMUNICATIONS COMPANY P.J.S.C.**: Satellite Service Provider [Request to join](#)
- BNET-TECH Company Limited**: Enhancing the safety and mobility of the elderly. [Request to join](#)
- Batelco - Bahrain Telecommunications Company B.S.C.** [Request to join](#)
- Castlerock Managed IT Services Company**: Managed IT Services Provider in Cape Town, South Africa [Request to join](#)
- National Telecom Public Company Limited** [Request to join](#)

At the bottom left, a callout box titled 'Ready to build your network?' encourages users to create or join a company to unlock features.

### Request to create company

Creating a company is the final step towards ordering and using network services on Console Connect. A critical part of creating your company involves providing details we use to verify your identity. Verifying the identity of all companies on Console Connect ensures that our community remains trusted and secure.

You must upload your business registration certificate to allow your company to be created and verified so that you may begin ordering services.

### Business registration details

These details will be used to verify your identity.

**Business Registration certificate\* (事業登記証)**

## Step 2

**Console Connect** でportのオーダー、アクティベート

## 1. Console Connectプラットフォームにログイン後“Ports”をクリック

The screenshot shows the Console Connect dashboard interface. The top navigation bar includes links for Network, Security, MeetingPlace, Pricing, and PartnerConnect, along with a search bar and user profile (AC). The main dashboard area displays several key metrics: 19 Ports, 3 Connections (ALL ACTIVE), 3 Internet (ALL ACTIVE), and 35 Sites (20 PENDING). A large purple callout bubble is present on the left side of the dashboard. In the left sidebar, the 'Ports' menu item is highlighted with a red box, and its dropdown menu is open, showing options like 'View all', 'Add new', 'Pricing', 'Spec sheets', 'Help center', and 'Terms and conditions'. Below the dashboard, there are detailed views for 'Ports' and 'Connections', each showing top 10 items ordered by specific criteria.

## 2. “Order a port” をクリック

Dashboard > Ports

## 5. 支払方法を選択し、利用規約にチェックを入れ“Order Port”をクリック

At the end of 12 months, your service will continue on a month-to-month basis until you choose to cancel the port in accordance with the Terms of Use.

**Payment method (支払方法)**

Credit card  Invoice

The first invoice will be prorated and issued on service commencement. Subsequent invoices will be issued at the beginning of each month.

**Terms and Conditions (利用規約)**

I have read, understood and accept the following:

- Terms of Use
- The Specific Terms for Console Connect Port Service and
- The ordering or purchase of any products or services through this online account is subject to: (i) any existing service contract between PCCW Global and Customer (i.e.: the registered company); or (ii) in the absence of an existing service contract, PCCW Global's general terms and conditions set out at <https://www.pccwglobal.com/en/terms-conditions> in effect as of the date that the order is placed, and I agree to be bound by the terms of the existing service contract or the general terms and conditions, as the case may be.

By clicking 'Order Port', I agree to be billed \$350 by Invoice each month for a period of 12 months starting on service commencement. I understand that I must have an active port in order to have active connections.

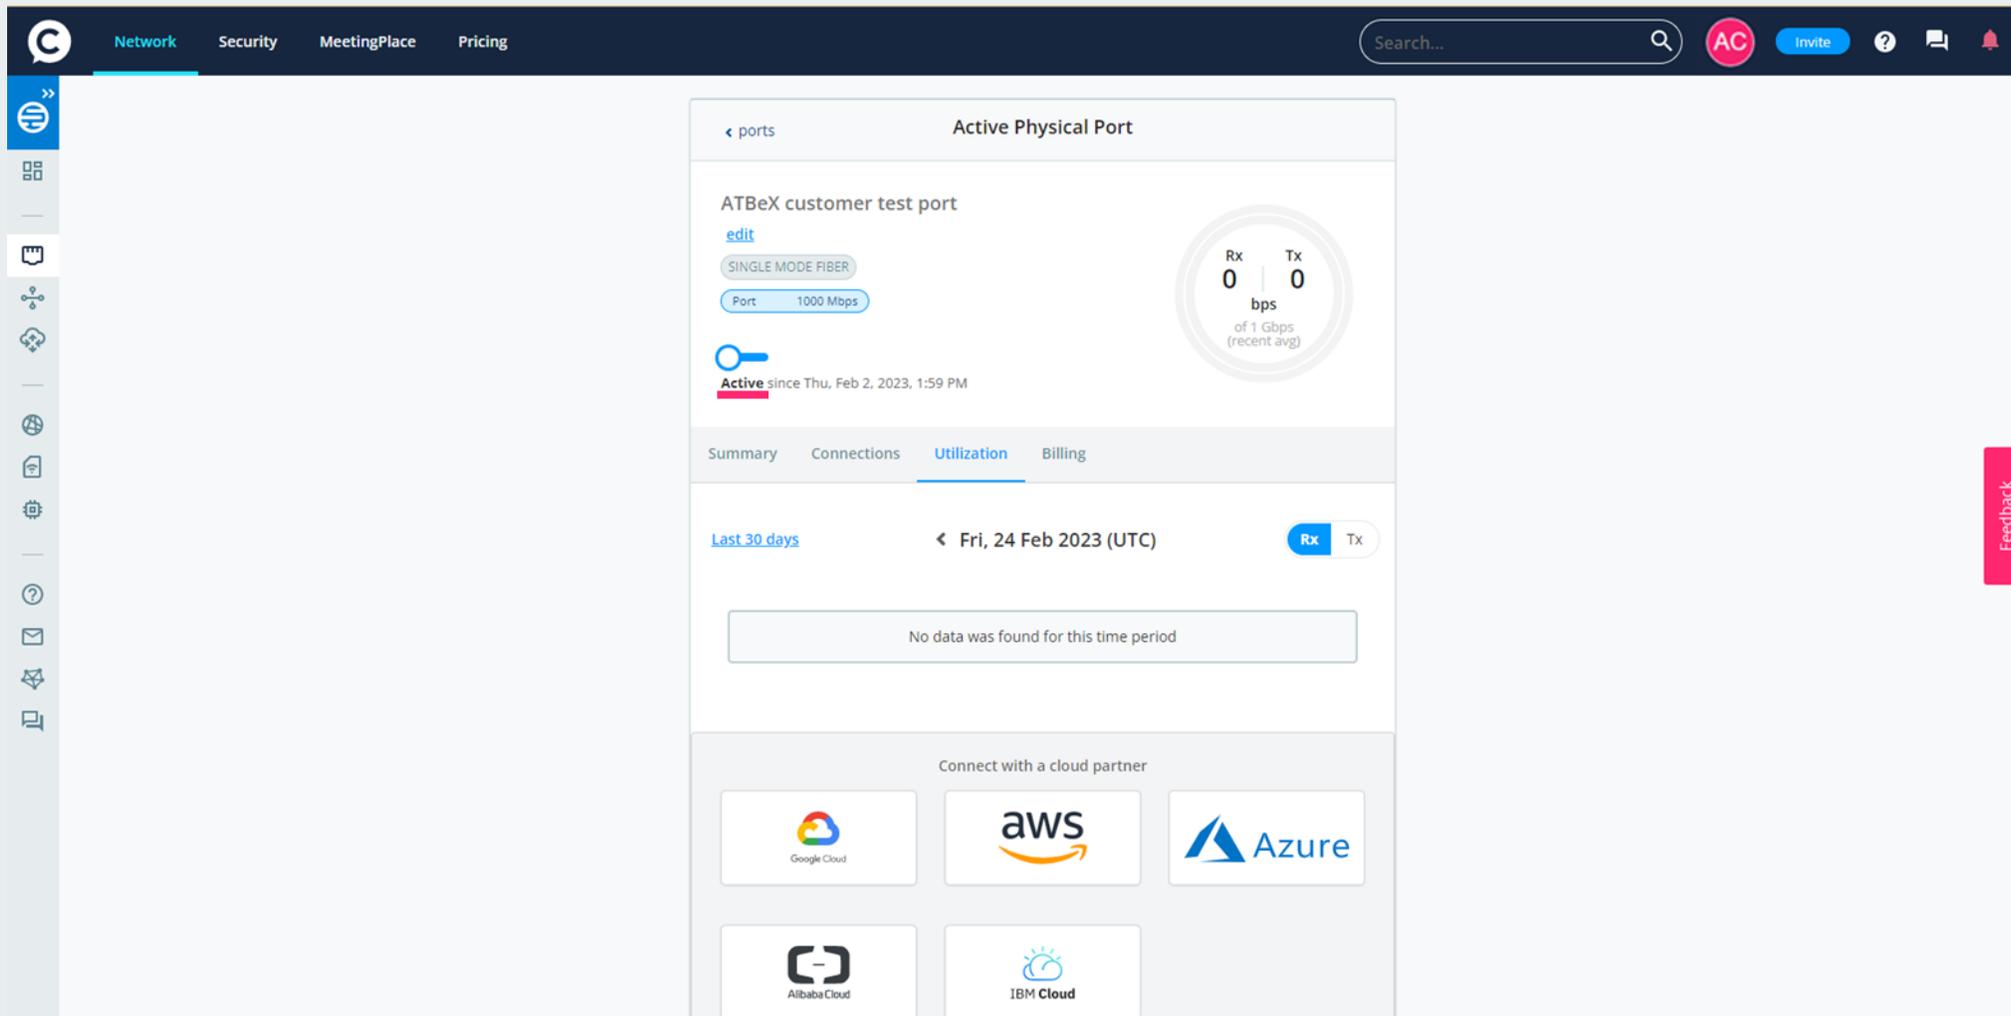

Cancel **Order Port**

6. Connect Support Teamからメールで送られてきたVLANレンジとNNI情報(例：L11105)を確認
7. VLANレンジとNNI情報に基づいてATBeX ServiceLink for ConsoleConnectのオーダーフォーム(Excel)内必要事項を入力後、アット東京 担当営業へオーダーフォームを送付し、論理回線開通作業を要請
8. AT TOKYOによるイーサネット接続作業完了を確認後、Console Connect Support Team ([support@consoleconnect.com](mailto:support@consoleconnect.com))に接続作業完了を伝え、portのアクティベートを要請  
※日本語でのご連絡の場合は[dkayano@pccwglobal.com](mailto:dkayano@pccwglobal.com)宛にご一報ください
9. Console Connect Support Team によるアクティベート作業が完了したことをメールとConsole Connectプラットフォーム上で確認

## 10. portのステータスが“Active”であることを確認

The screenshot displays the consoleconnect interface for an 'Active Physical Port'. The top navigation bar includes 'Network', 'Security', 'MeetingPlace', and 'Pricing'. A search bar and user profile 'AC' with an 'Invite' button are also present. The main content area shows the port configuration for 'ATBeX customer test port', which is 'SINGLE MODE FIBER' and '1000 Mbps'. A circular gauge indicates '0 bps' for both Rx and Tx, with a note 'of 1 Gbps (recent avg)'. The port status is 'Active since Thu, Feb 2, 2023, 1:59 PM'. Below this, there are tabs for 'Summary', 'Connections', 'Utilization', and 'Billing'. The 'Utilization' tab is active, showing a date selector for 'Fri, 24 Feb 2023 (UTC)' and a message: 'No data was found for this time period'. At the bottom, there is a section 'Connect with a cloud partner' featuring logos for Google Cloud, AWS, Azure, Alibaba Cloud, and IBM Cloud. A vertical 'Feedback' button is located on the right side of the page.

## Step 3

# クラウドサービスのリソース設定

※本手順書では**AWS**のリソース設定手順を説明しています

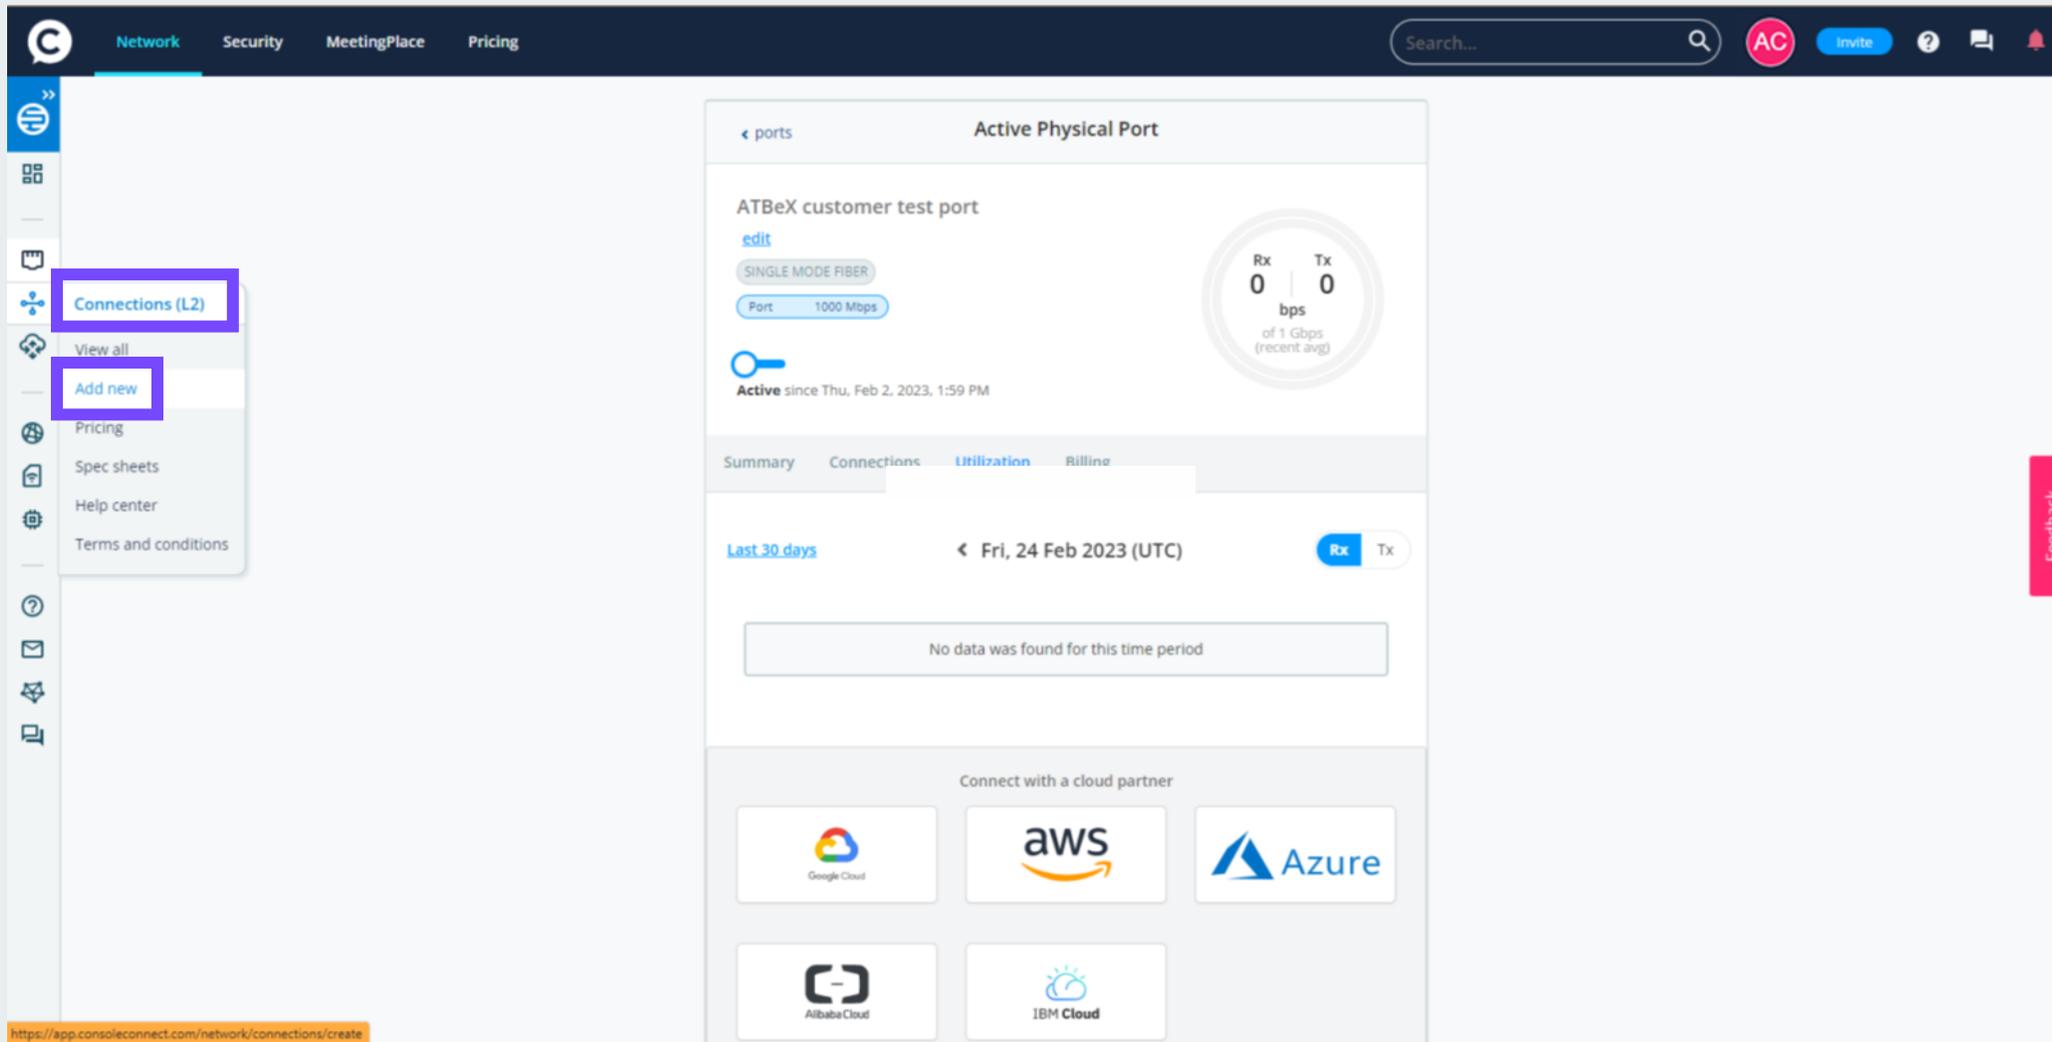

1. AWS Management Consoleにログイン後、 IP block 情報を基に Virtual Private Cloud(VPC)を作成
2. Subnetを作成
3. Virtual Machine(VM)を作成
4. IP addressを割り当てる
5. Internet Gatewayを作成
6. Internet GatewayとVPCを関連付ける
7. IP addressとVMを関連付ける
8. Virtual Private Gateway(VPG)を作成
9. VPGとVPCを関連付ける
10. default gatewayを設定し、Internet Gatewayへ関連付ける
11. Virtual Private Gatewayタブ上のrouteプロパゲーションをenabledに設定

1 - 11の詳細な手順については[デモ動画](#)の0:27~6:17をご確認ください

## Step 4

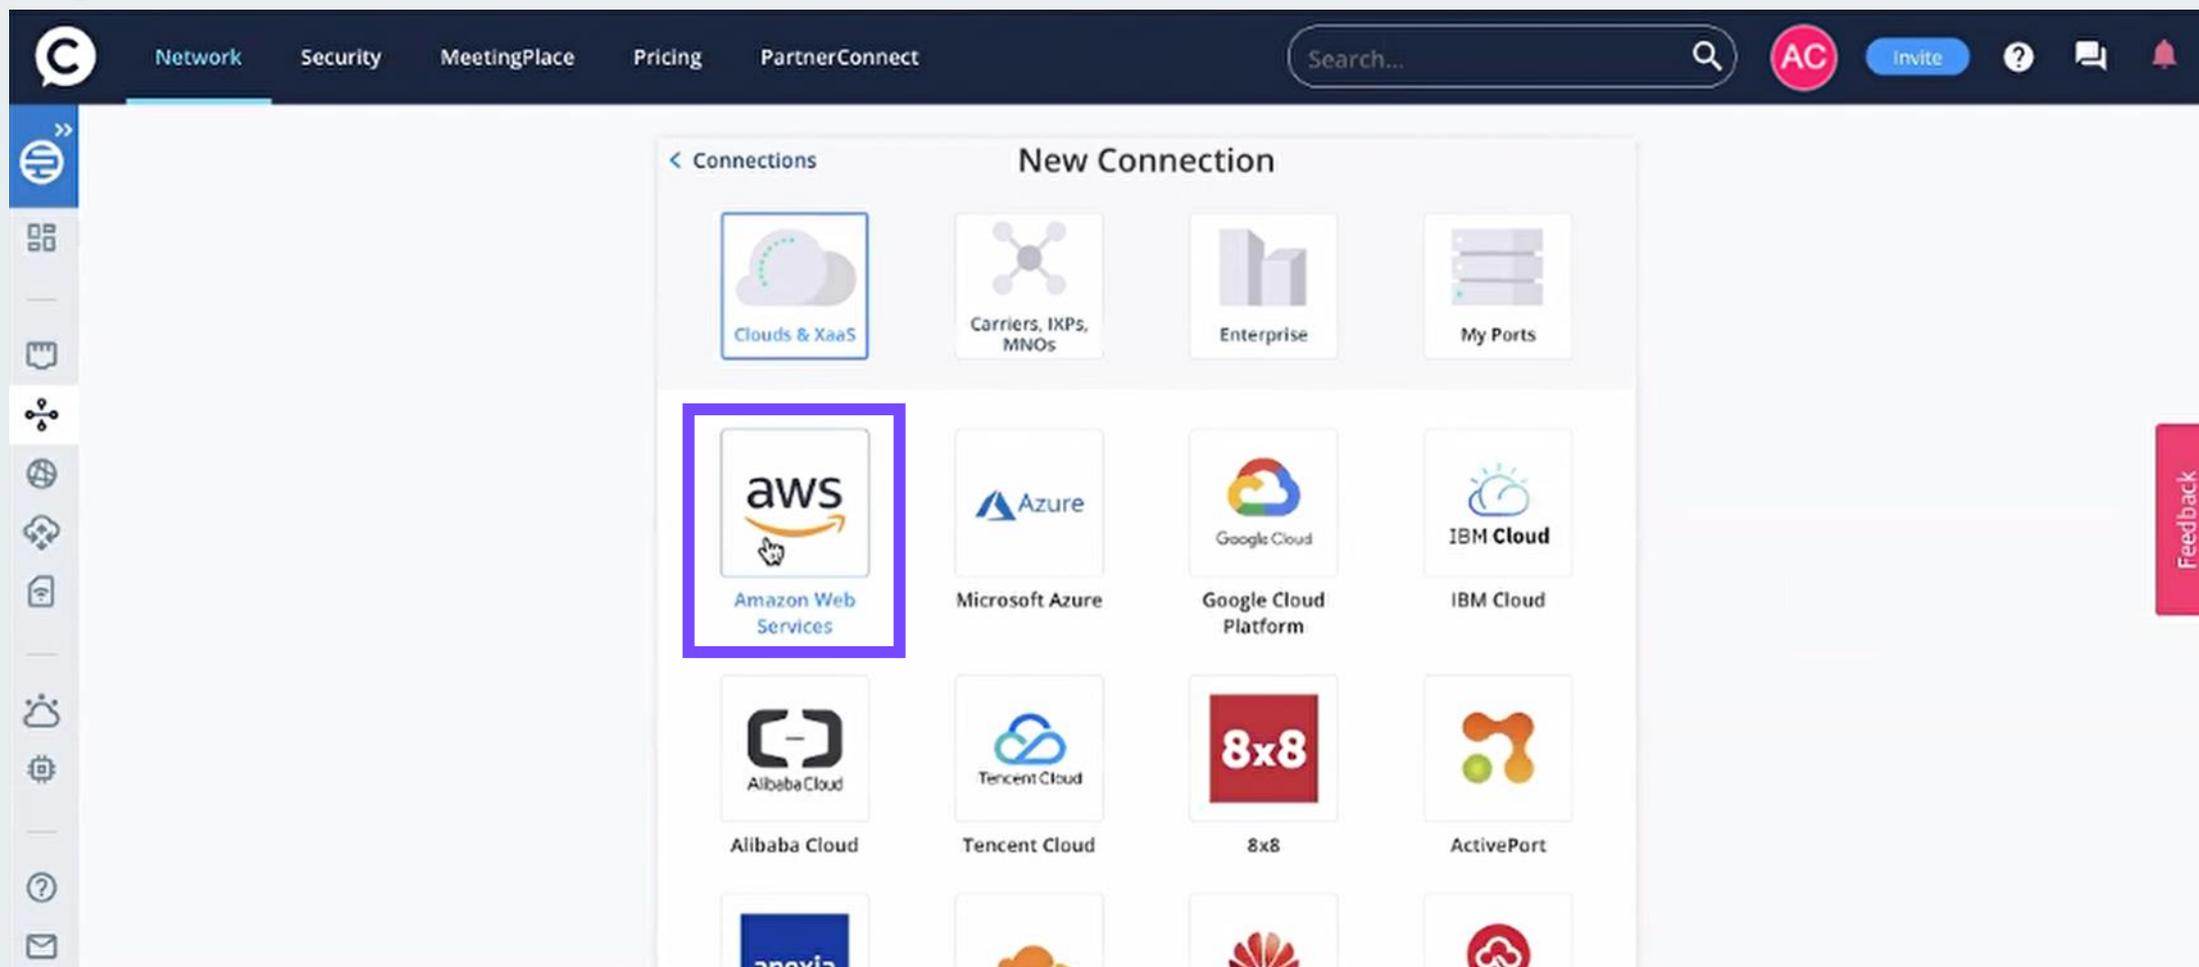

# Console Connectで connectionのオーダー

# 1. portアクティベート後、Console Connectプラットフォームで“Connections (L2)” と “Add new” をクリック

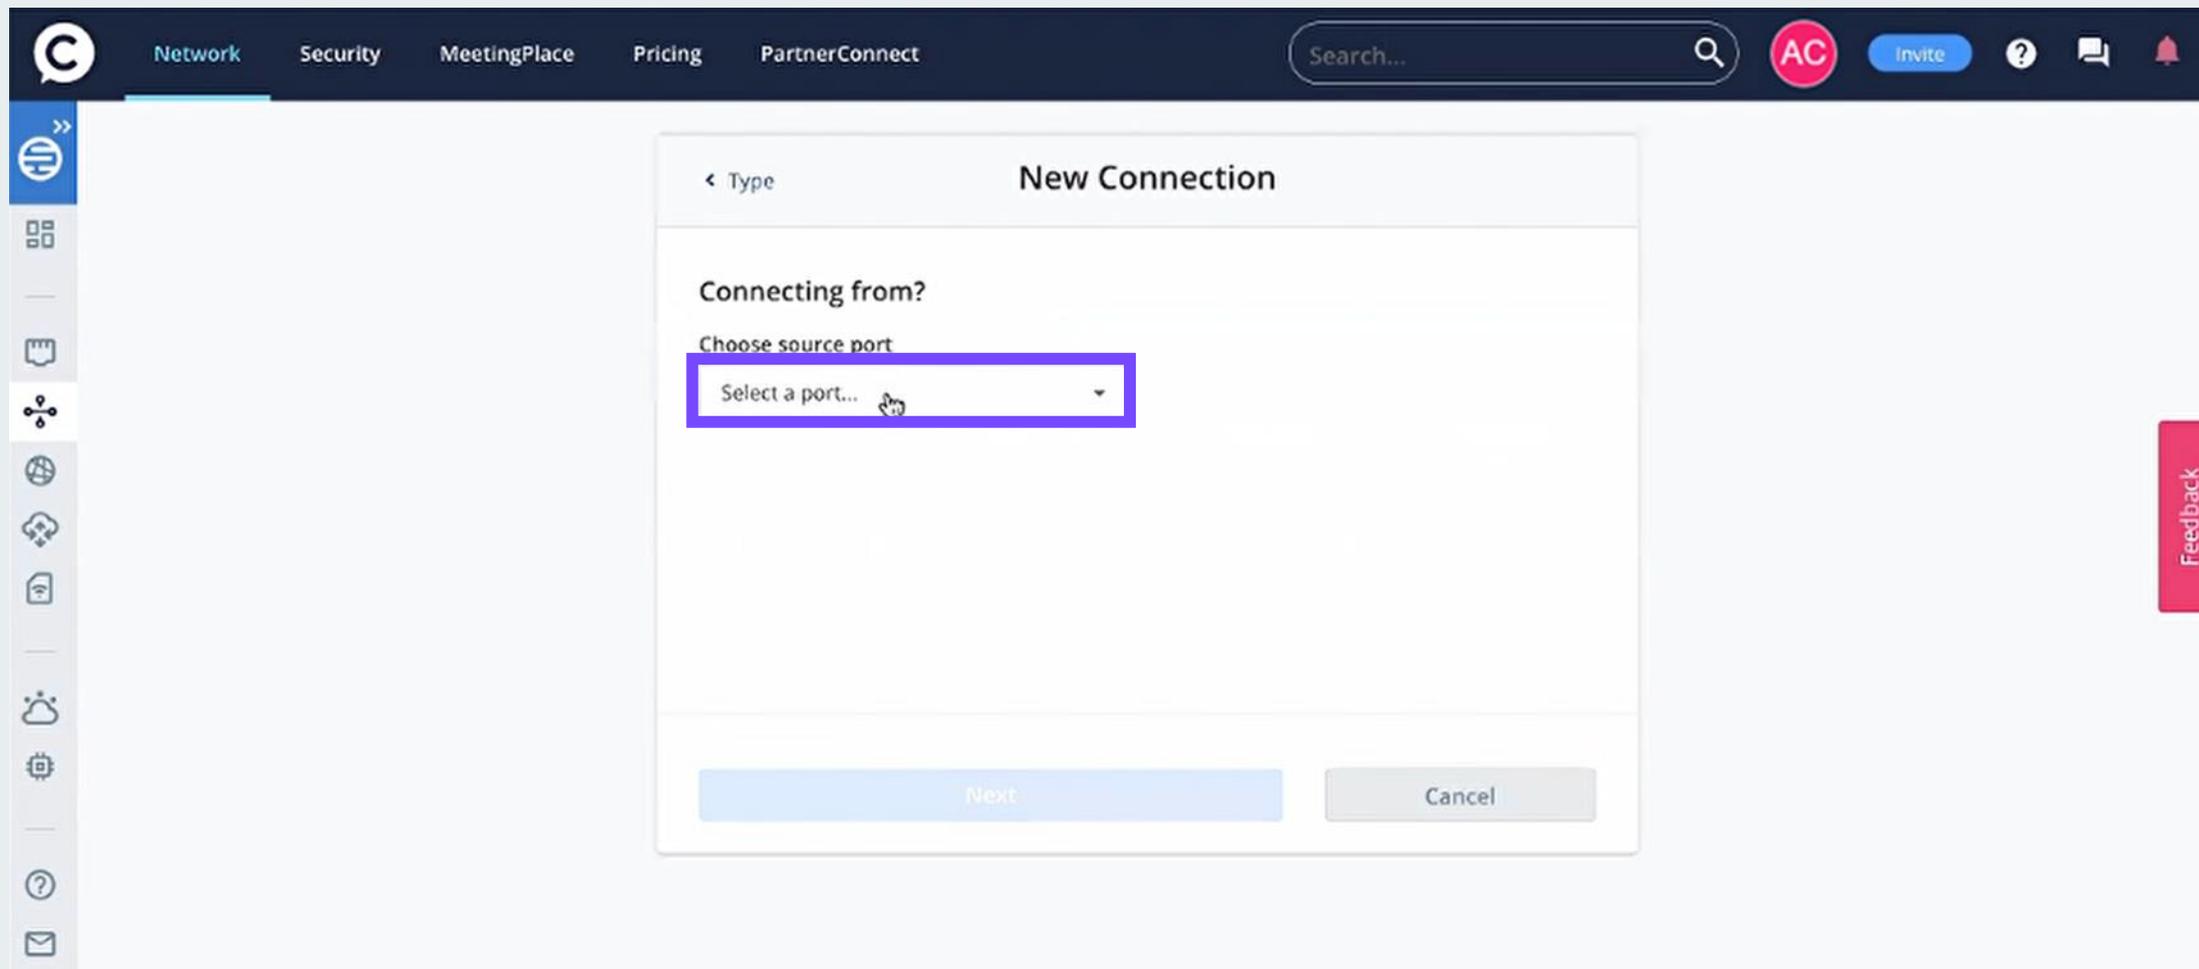

The screenshot displays the Console Connect platform interface. The top navigation bar includes 'Network', 'Security', 'MeetingPlace', and 'Pricing'. The left sidebar menu is open, with 'Connections (L2)' and 'Add new' highlighted in red. The main content area shows the 'Active Physical Port' page for an 'ATBeX customer test port'. The port is 'SINGLE MODE FIBER' and '1000 Mbps'. A utilization chart shows 'Rx' and 'Tx' both at '0 bps of 1 Gbps (recent avg)'. The port is 'Active since Thu, Feb 2, 2023, 1:59 PM'. Below the chart, there are tabs for 'Summary', 'Connections', 'Utilization', and 'Billing'. The 'Utilization' tab is active, showing a date range of 'Last 30 days' and 'Fri, 24 Feb 2023 (UTC)'. A message states 'No data was found for this time period'. At the bottom, there are buttons to 'Connect with a cloud partner' for Google Cloud, AWS, Azure, Alibaba Cloud, and IBM Cloud.

## 2. portを接続させたいクラウドサービスを選択

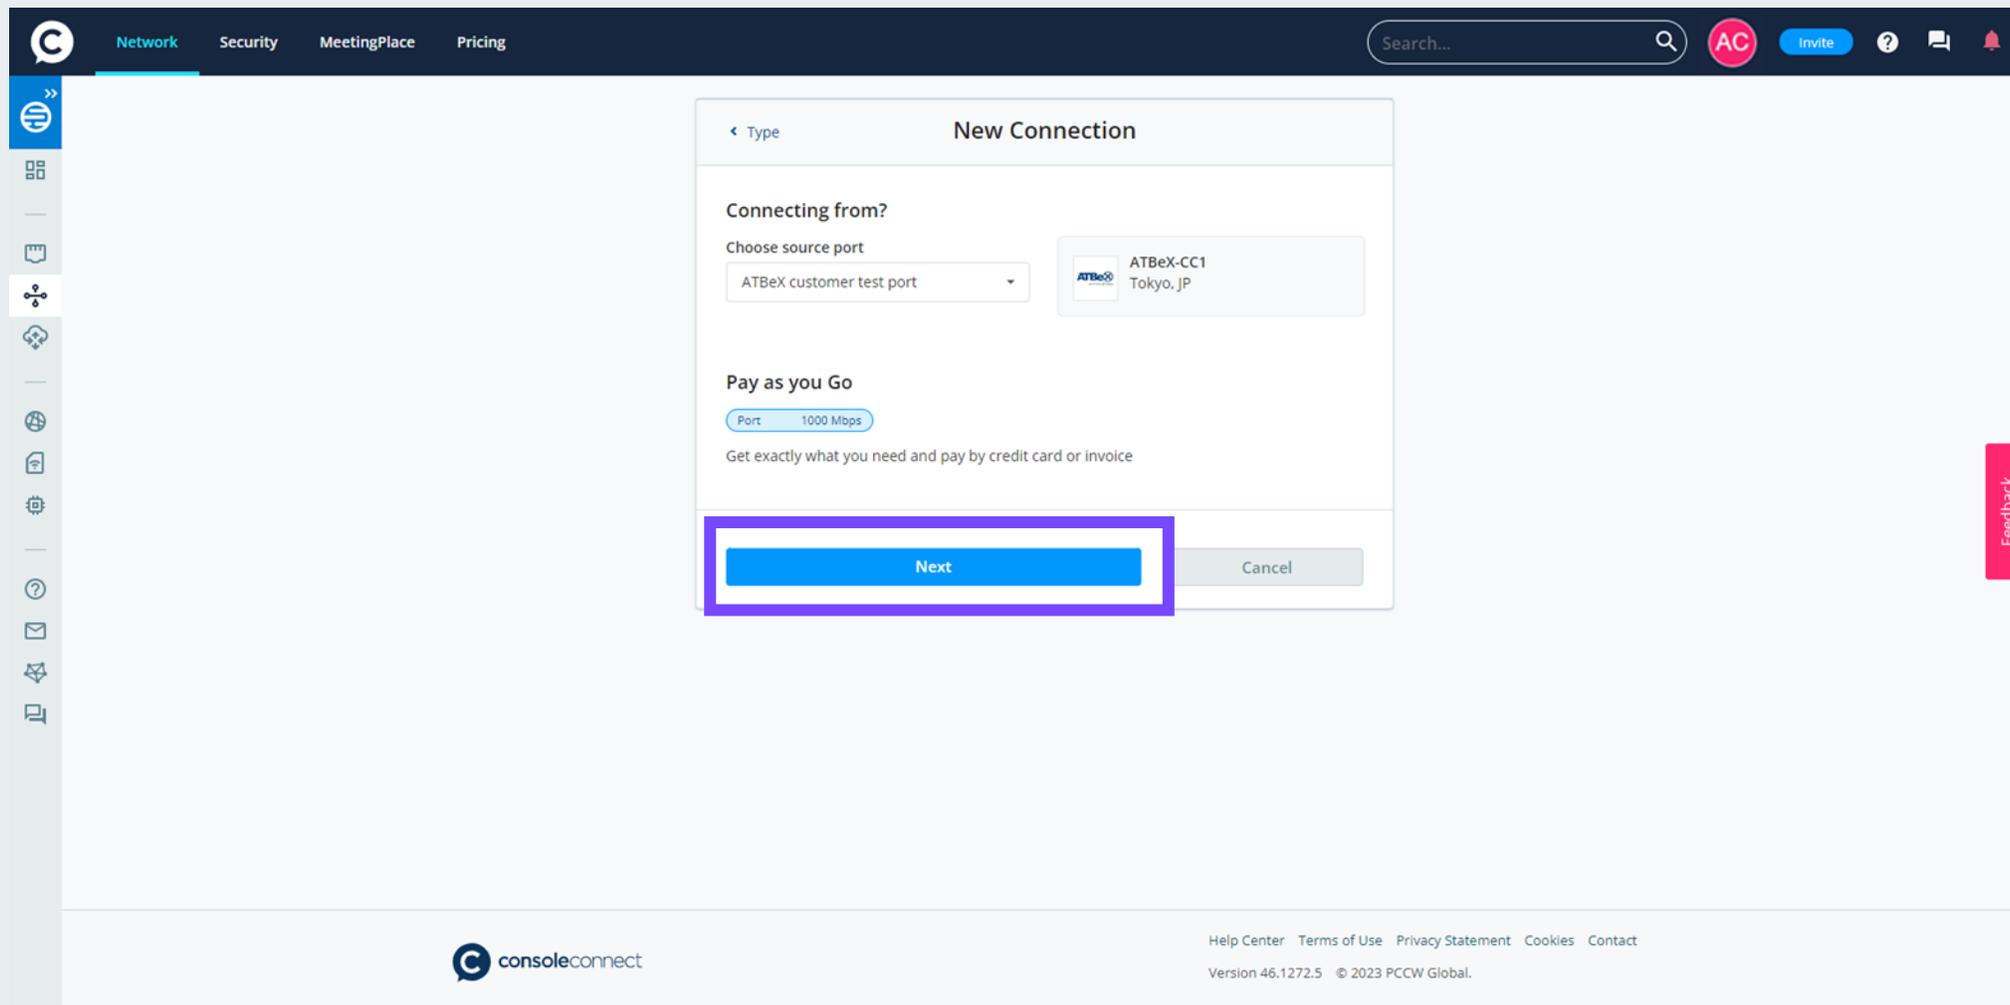

本手順書内ではAWSを例にconnectionをオーダーしています

### 3. オーダーしたportを選択

The screenshot shows the 'New Connection' dialog box in the consoleconnect application. The dialog is titled 'New Connection' and has a back arrow and 'Type' label. It asks 'Connecting from?' and 'Choose source port'. A dropdown menu is open, showing 'Select a port...' with a mouse cursor pointing to it. The dropdown is highlighted with a purple border. At the bottom are 'Next' and 'Cancel' buttons. The background shows the consoleconnect interface with a dark header and a sidebar.

## 4. “Next” をクリック

The screenshot shows the 'New Connection' form in the consoleconnect interface. The form is titled 'New Connection' and has a back arrow and 'Type' label. It contains the following sections:

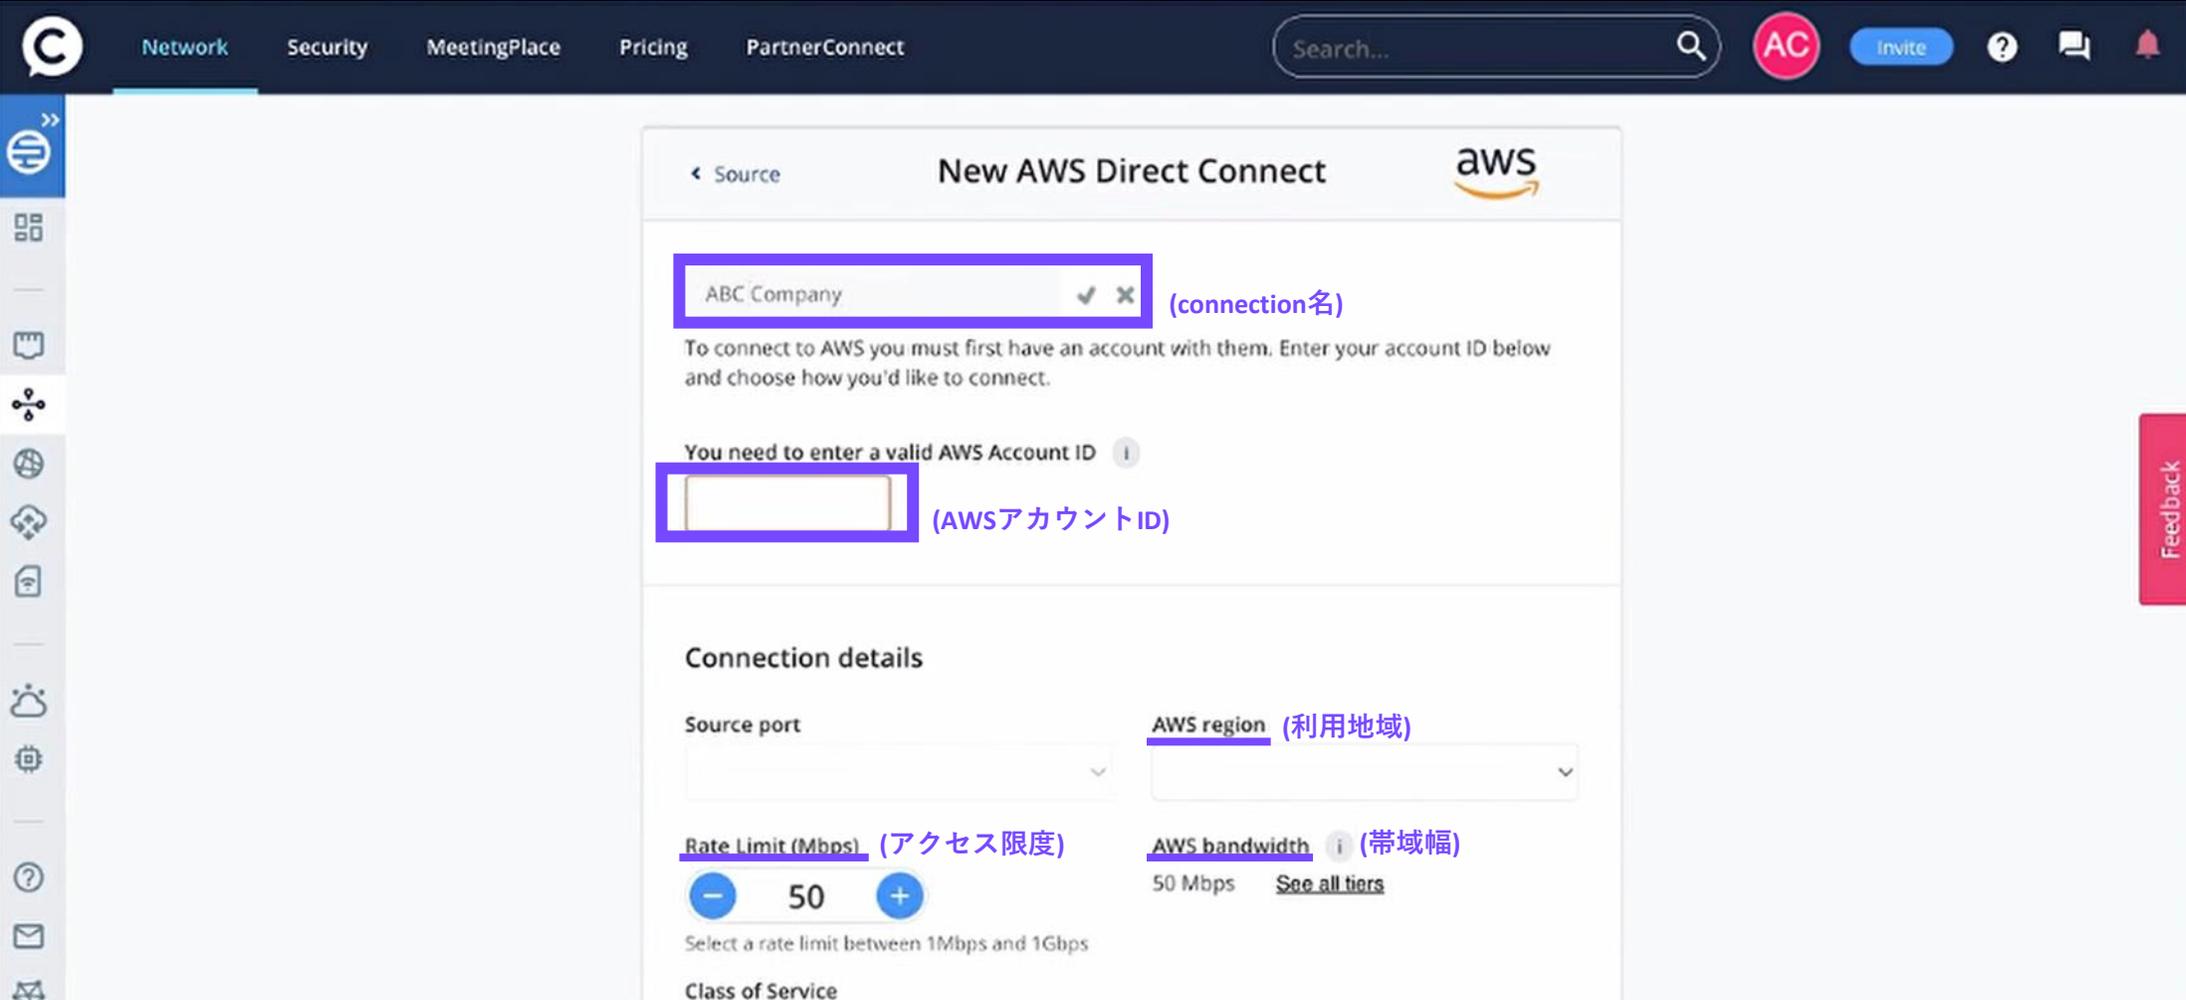

- Connecting from?**
  - Choose source port: ATBeX customer test port (dropdown menu)
  - ATBeX-CC1 Tokyo, JP (card)
- Pay as you Go**
  - Port 1000 Mbps (button)
  - Get exactly what you need and pay by credit card or invoice

At the bottom of the form, there are two buttons: 'Next' (highlighted with a purple border) and 'Cancel'.

The interface includes a top navigation bar with 'Network', 'Security', 'MeetingPlace', and 'Pricing' tabs. A search bar and user profile 'AC' with an 'Invite' button are also present. A vertical sidebar on the left contains various icons. A 'Feedback' button is located on the right side of the page.

Footer information includes the consoleconnect logo, 'Help Center', 'Terms of Use', 'Privacy Statement', 'Cookies', 'Contact', 'Version 46.1272.5', and '© 2023 PCCW Global'.

## 5. connection名を編集し、AWSのアカウントID、利用地域、アクセス限度、帯域幅を選択
